## Hello Everyone!

Once again, not a lot is going on this month. We did have a small get together at Hanks garage to get cars ready for the season. Only Lew and Mike took advantage of the opportunity. **We have moved our Meetings at Brahms back to 6 PM.** The weather is getting nicer so we hope to see you there. We're planning on bringing lawn chairs so we can sit out by the cars.

Have a good, safe, and healthy month.

**Autocross Season** got off with a chilly start: Salina at 13 degrees; Wichita a little better at 41 degrees. Cold weather and cold tires do not make for a good combination. Hank and I are both doing quite well this season so far, but that does not mean that we will end the season on an upward trend.

I made history in Salina last month by getting 4 trophies on the same day. Nobody else has ever done that, and the next day, when I got 3 more trophies, I was just as shocked as everyone else. Hank took first place in Salina for all the races! I think he is back, **HOORAY !!**

We have a lot of the season yet to go and we plan on hitting a few extra this year, out of state, and doing a little traveling with our car. If you ever want a ride, come on out to one of our autocrosses and you won't be disappointed with your experience. **Until next time! Hank and Sharon**

**Hank & Sharon Brillhart** waited as long as they could for a line to form for the FREE ENGINES and other parts Hank was giving away, but gave up. Rod & Dan & I loaded up the trailer and Hank made a run to the scrap yard.

# British Car Celebration

Saturday, June 10<sup>th</sup>, 9:00am - 2:30pm

Including cars from the **Mini Enthusiasts Club**, we will also feature cars from the **Lotus Group**, the **Rolls Royce Owners Club** and any and all examples from the wonderful world of British Motorcars.

## Greetings British Car Enthusiasts,

We are pleased to announce the British Car Celebration will return to Crown Center on **June 10th, 2023**. This year's event will be **Co-Chaired by the Austin Healey Club of Kansas City and the Heart of America Jaguar Club**. In addition to the lush trees, fountains, and cafe tables with chairs and umbrellas, Crown Center offers many eateries, opportunities to visit popular attractions on the Square, and of course the **Crown Center Shops** at the **Westin Hotel**. This yearly display of the Queen's finest from England's Motorcar Industry draws an abundance of overwhelmed, appreciative spectators and British Car lovers from around the four state area.

It has been brought to our attention that Prince Charles will be crowned "King of England" previous to this event, hence should we refer to our beloved British cars as "The King's" finest? In as much as most if not all the entries were manufactured on the Queen's watch, I respectively suggest we will be displaying the Queen's pride of England.

This year we welcome Hagerty Insurance's youth judging for our British Car entries, and the **Jaguar Club's National Concours D' Elegance** where members can earn points toward JCNA national awards. All British marques are invited to attend, the fee for the first car is **\$25.00**, and the second car will be **\$15.00**. This year we will NOT be closing Grand Boulevard, so we must limit our attendance to 80 cars. We are seeking a diverse assortment of British Motorcars, we encourage you to bring out your unique example of British ingenuity for all to enjoy. Sometimes early June events endure warmer than usual weather, so members of the Jaguar Club will be circulating a "First Aide Livery" with ice and water should anyone need a cool drink, a bandage from overzealous polishing, or even directions to the Loo.

**Please find attached an event poster (above) and a registration form (below)** to sign up now. We encourage you to register early, and share a jolly good time at the British Motorcar Celebration on the Square.
